

## Customer Pick-up Service

Welcome: This service is intended to be an easy, convenient and safe method for customers to purchase our most popular farm items while limiting human contact.

This service is available at our FRYEBURG MARKET ONLY.

This service does not include meat or other frozen products.

At this time there is no charge for using this service.

Please do not place restaurant orders through the App. Please call.

### INSTRUCTIONS:

1.) OPEN THE APP by using the link on the home page of our website: [www.westonsfarm.com](http://www.westonsfarm.com)

2.) PLACE YOUR ORDER AND MAKE PAYMENT with a credit card through the App.

Note: Setting up an account will make the checkout process faster in the future, but you do not have to. However, you will need to enter a mailing address either way. Sorry, the software requires it.

You will be sent a confirmation email (this email could get caught in your SPAM folder).

Our CSA customers receive a separate email with checkout instructions to use their credit account.

Orders placed **at or before 10:00am** will be available for pick-up the **same day**.

Orders placed at or after 10:01am are processed for the following day.

(We will use the time stamp on the order email to determine exact cut-off times)

3.) PICK-UP YOUR ORDER BETWEEN 3:00pm - 6:00pm (Everyday)

The pick-up area is located in the front of the big Yellow Barn to the right of the Farm Stand (see photo).

Orders will be placed on shelves and marked with your name. Refrigerated goods will be in the fridge.

If another customer is in the pick-up area, please allow them to leave to maintain social distance.

Locate your order and take it. You are free to go.

New products will be added as they come into season.

**Produce will be chosen from the best available harvest.**

**Please understand that if you have specific tastes, this service will have limitations.**

If there is a question about your order, you will need to call, or come to, the Fryeburg Market: 207-935-2576
